SAMHSA'S Comprehensive Public Health Approach to Trauma: A National Strategy

SAMHSA's Comprehensive Public Health Approach to Addressing Trauma: A National Strategy

VISION

A national comprehensive public health approach to addressing individual and community trauma

MISSION

Set a strategic direction for behavioral health to advance policy, training, practice, research, evaluation, and coordination *across various service sectors* to mobilize and encourage organizations, systems, and communities to implement a trauma-informed approach

Strategy 1

Increase efforts and opportunities that support a trauma-informed approach

Strategy 2

Support communities to implement trauma-informed approaches and initiatives

Strategy 3

Increase knowledge and awareness of a trauma-informed approach through TA, training, peer-to-peer sharing and resources

Strategy 4

Build and foster effective partnerships across the private and public sectors
